

House Purchase rates

Below you can see our current house purchase interest rates: we've made it simple to see the length of the fixed-rate period and different rates based on the loan-to-value (LTV) ratio, which compares your client's mortgage amount to their property's value.

In addition to the interest rates, there are also fees to consider when your client takes out a house purchase mortgage. We want to make mortgages more simple so we've kept our fees to a minimum so your client knows exactly how much they'll have to pay:

- Application Fee: **£195** (non-refundable)
- Valuation Fee: **£0** (for properties up to £1m); please see our [Tariff of fees and charges](#) for more information
- Completion Fee: **£995** (this can be paid up-front or added to the total mortgage amount; if this is added to your client's mortgage, they'll pay interest on it at the same rate as the rest of their borrowing)

	60% LTV	75% LTV	80% LTV	85% LTV	90% LTV	95% LTV	100% LTV
Standard Variable Rate	6.50%	6.55%	6.65%	6.75%	6.90%	7.20%	7.50%

Early Repayment Charges (ERCs):

There are no ERCs when moving house, regular overpayments, lump sums or redeeming in full when your client uses their own funds. If your client is refinancing / remortgaging then these charges will apply:
